

*Good Morning: As we approach the Month of September and the VFW returning to the Webster Fairport Elks Lodge for your monthly meetings, I would like to review with you the NYS Government and CDC guidelines that our Lodge is mandated to follow.*

- 1 As each person enters the building they MUST sign in and out with the bartender. In signing the book, each person is acknowledging they have read and understand the Covid 19 guidelines that will be displayed with the signing book. (A copy of those guidelines is attached to this email for your records.)*
- 2 Each person's temperature will be taken as they enter. Anyone with a temperature above 100.4 will not be allowed to remain.*
- 3 Mask must be worn when entering or moving about the building. They may be removed when sitting at a table to eat.*
- 4 Maximum number of people at each table not to exceed 8. (our tables are not that large as you know)*
- 5 Hand sanitizers are available as you enter the building and throughout the Lodge. We ask your members to use them. We also have cleaning supplies placed around the dining room, and we ask you to help reduce the workload on your bartender by cleaning tables and chairs when your meeting is over.*
- 6 As your members are leaving after your meeting, please remind them they must sign out with the bartender.*

*These are hard times on all of us and I hope you understand the guidelines we are mandated to follow in order to keep our lodge open.*

*Jerry Hurley ER*
