MARCH 2019

Dear Comrades,

Greetings. I hope this news letter finds you in good health. The weather has still been a little cold in Webster, but we are looking forward to spring and warmer weather.

March is a very important month for our Post. We will be having nominations for our officers at the March meeting. If you are considering becoming an officer, please attend the March meeting. If you would like to nominate a member for an officer position please attend the meeting. It has been my first year as your commander and I thank you for the support our members have provided to all our officers. It has been a great learning experience for me. The District meeting will be held March 10th at the Knights of Columbus on Barret Drive. I will be attending the meeting and will pass on information from that meeting at our meeting. March 5th marks the 77th birthday of the U.S. Navy Seabees. "Can Do".

In other news, we are partnering with the Post from Fairport to put on a dinner for the members of the Coast Guard stationed in Rochester to thank them for their service during the government shut down. Details are still being worked out and more information will be put out in the near future. The Post has also been involved with helping the Veterans Outreach Center provide more services to our fellow veterans.

Membership will remain a top priority at the Post, state, and national levels. If you know someone who may qualify for membership, encourage them to attend a meeting. My goal is to achieve 100% membership, this goal aligns with the state commanders goal and is achievable. We are

currently at 92% so keep the recruiting going. We can make 100%.

Our next meeting is Wednesday, March 13th at the Elk's Club on Jackson Road. Dinner starting at 1800 and the meeting starting promptly at 1900. Please bring a dessert if you would like.
